NO job is too small: We also install CABLE TV & PHONE JACKS; and are fully equipped to handle simple plumbing jobs from sink, faucet, & toilet repairs or replacement to complete re-plumbing for your entire house.

Why trust your work to an outside contractor that may not be here tomorrow? As operators of the community we will always be here to stand behind our work. Foxwood Corp has fully licensed and insured Plumbers, Electricians, and Carpenters on staff.

IMPORTANT NOTE

A Home improvement license is not the only requirement to legally perform construction and service work on HUD code homes. We are bonded and fully licensed by the Dept. of State to perform any of the work listed above on your HUD code home.
