

JUST FOR TODAY!!

(submitted by Janet Bennardo)

Just for today, I will live one day only and not try to solve the whole problem of life at once.

Just for today, I will be unafraid of life and death, unafraid to enjoy the beautiful and to be happy.

Just for today, I will adjust myself to what is, and not try to make everything over to suit me. If I cannot have what I like, I will try to like what I have.

Just for today, I will be agreeable, cheerful, charitable, praise people for what they do and not criticize them for what they cannot do. And if I find a fault with another, I will forgive it and forget it.

Just for today, I will have a plan. I may not follow it exactly, but I will have one. It will save me from worry, hurry and indecision.

Just for today, I will look at life with fresh eyes and discover the wonder of it. I will know that as I give to the world, so the world will give to me.

Just for today, I will not show it if my feelings are hurt.

Just for today, I will not try to improve or regulate anybody except myself.

Just for today, I will find time to relax and to realize what life is and can be, time to think about God, and get a better perspective on myself. Thank you, my God, for another today. Yesterday is already a dream, and tomorrow is only a vision, but today well likes makes every yesterday a dream of happiness and every tomorrow a vision of hope.

Baby Animals

Hi, everyone!

Just a reminder that we have many baby animals in Foxwood this time of year, and we need to protect them. Especially the deer!

Please be on the lookout as you drive through the development. They haven't learned to look both ways yet

Thank you all, Lyn Tyler #29
