

April/May 2013

Dear Foxwood homeowners;

After what seemed to be an unusually long and dismal winter, spring is finally at hand. We endured the short dark days and the snowfalls to emerge into the thankful season of color and renewal. So take a breath and look around at all things spring, and start to enjoy the outdoors.

If you like to walk, this community is ideal to get some exercise. The gentle rolling path takes you around the community. And not only will you be benefiting yourself, you get to say Hi to some neighbors you haven't seen for a while.

And speaking of neighbors, let's not forget the home owners meetings on the 4th Tuesday of every month at 7:00PM in the clubhouse. Your ideas matter, so be there and share your thoughts.

See you soon,

Thank you,
Marylee Feldman (#45), President
