#282 – Mile & Andrea Cuomo

Mike and Andi Cuomo moved into Foxwood Village on June 21st.

“We have lived in Manorville since the early 80s, so we are very familiar with and love this area. We have three grown children and two wonderful grandchildren who all live here on the Island.

Mike is semi retired and during his working years owned and operated convenience stores and smoke shops. He now owns Hampton Smoothie, a seasonal Frozen Yogurt and Smoothie shoppe in the Village of Westhampton Beach. The business operates from early May to late September, so he is very busy in the summer but retired the rest of the year. He is also a lifelong musician and is the lead singer in two bands.

After raising three children while being involved in the family business, Andi resumed her own career in retail management when our youngest child, Nicholas, left for college. She has managed several stores at the Riverhead Tanger Outlet and currently is store manager of the 9 West outlet there. Andi’s lifelong passion is riding, and she has won numerous awards in Western Pleasure competition over the years. Her horse Packer is stabled in Manorville.

We love the beautiful, well maintained environment here at Foxwood Village. So does our little dog Rocket! We’ve met many of our neighbors already and really enjoy the friendliness and laid back nature of the community. We are glad to be a part of Foxwoods and look forward to a long and happy future here.”

Thanks to everyone for waving hello!!!
