

## The News Review – May 1, 2008

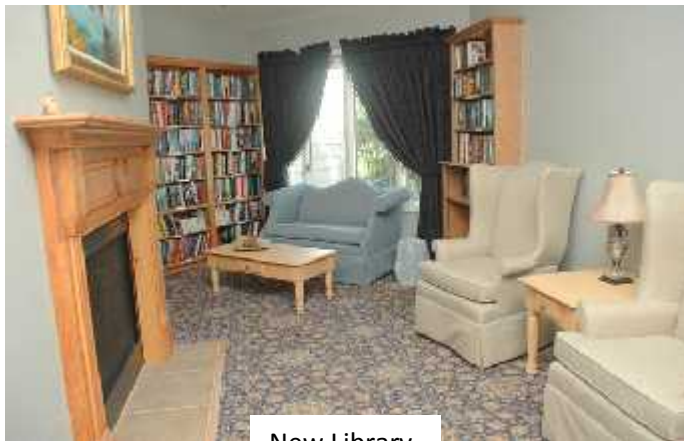

“A big party was held at Foxwood Village in Calverton this past Saturday to celebrate their new clubhouse. The event was catered by Maple Tree Deli, which was fantastic, and town officials Deputy Superintendent Bill Welch, Barbara Blass, John Dunleavy and Tim Buckley all attended and helped in the ribbon cutting ceremony. Owner J.D. Stark and Pete Mastropalo were also among the 200 plus to celebrate this beautiful new facility. Congratulations to my buddy, Foxwood President Dick Green, and Vice President Kathy Balasis for all they do for that great community.”
