Meet Your New Neighbors

#138 - Joan & Al Matisik

Big change in our lives for me and my husband Al. Living in the same house for 54 years, in Stewart Manor, L.I. and then making the move to Foxwood Village.

We moved in furniture and all and pet Muffins in November 2013. The first time Muffins came into the house she ran behind the dryer; stayed there for 45 minutes and disconnected the dryer hose. She has adjusted very well since.

I've had the opportunity to get involved in bowling and other social activities. Met a lot of people and they've been very helpful in guiding me into things that are available.

The surrounding countryside is such a pleasure and we enjoy our walks as we take it all in. Can't wait till springtime, to get out and enjoy the gardening and outside activities.

*New friends are like new adventures.
You never know what life lessons they will teach you!*

We've Got Mail!

A belated note of thanks to my wonderful friends; Carolee Olsen, Margaret Regan, Norma Strubel, Paulette Jasinski, and Joan Spates, who just happen to be my neighbors. If it wasn't for your help and TLC during the bad times this winter, I don't know if I'd have made it through.

And special thanks to Carolee, for cleaning up after I opened up a vein in my leg and had to go to the emergency room. You went above and beyond.

Thank you,
Roxie Parker, #266
