The best expression of Love is: "The Giving of Ones Time"

To All My Friends & Neighbors in Foxwood, I thank you for giving me your time:

- To send a Get Well card and to write a note in it.
- To cook and send a meal, cake or cookies.
- To send fruit and candy baskets.
- And most of all to include me in your Prayers and Good Wishes.

I hope some day I can do the same for you.

Bernie Tannenbaum, #236
