### *We've Got Mail!*

To my friends & neighbors in  
Foxwoods:

My deepest thanks for your care and concern, cards, phone calls, meals and grocery shopping for me while I battled the Lone Star Tic bite. This was not fun but having you check in on me helped me get through those 5 weeks.

Thank you very very much.  
Dianne Massiello, #209

I want to thank everyone for their cards, well wishes, phone calls, gifts, food and warm support after my knee replacement surgery in June.  
We certainly chose the right place to live!!

Thank you all,  
Diane Capobianco #94

Dear neighbors & friends,

I would like to thank everybody for their wonderful thoughts & prayers, lovely cards & mass cards, gifts of food and personal visits on the passing of my daughter, Resa.

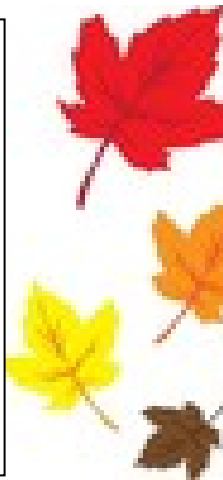

I am very grateful to be living in such a caring community.

To the Recreation Committee

A big "Thank You" to the Recreation Committee, for a job well done at our Labor Day Party. You all worked so hard to set up, and display the food, and then to serve all of us hungry neighbors. Not to mention, the clean up! We appreciate your dedication as always.

Irene & John Monahan, #246

To the ladies of water aerobics:

Thank you all for your most generous gift! It is deeply appreciated. We had a wonderful time exercising this summer. Our largest group so far. You all make it so much fun to do! When I think of us at the pool I always smile. It's great friendship, laughter, and camaraderie!

See you next summer!  
Love, Judy
