

THIS & THAT

Honoring Our Veterans

We will be "Honoring Our Veterans" in the October *Foxtales* to coincide with Veterans Day on November 11th. The last time this list was published was in 2008.

If you are a veteran, and moved into Foxwood Village in 2008 through the present, please contact June Dolson by phone or email, and let her know which branch of the service you were in & your rank at discharge.

Marriage After 25 Years

Married 25 years, I took a look at my wife one day and said, "Honey, 25 years ago we had a cheap apartment, a cheap car, slept on a sofa bed and watched a 10" black & white TV but I got to sleep every night with a hot 25 year old blonde."

"Now, we have a mini mansion, luxury car, king size bed and big screen HDTV but I'm sleeping with a 50 year old woman. It seems to me you're not holding up your side of things."

My wife is a very reasonable woman. She told me to go out and find a hot 25 year old blonde and she would make sure that I would once again be living in a cheap apartment, driving a cheap car and sleeping on a sofa bed!

"Chuckles"

Why do banks charge a fee on '*insufficient funds*', when they know there is not enough money?

Why do they use sterilized needles for death by lethal injection?

Why do Kamikaze pilots wear helmets?

Is there ever a day that mattresses are not on sale?

I've noticed that all of the great writers are dead, which makes me really reluctant to be one.
