## United We Stand

Author Edmund Burke said, bad things happen when good people do nothing. The opposite can also be true. .. Despite the outlook of a few skeptics who thought we at Foxwood were doing a noble thing in fighting the zoning board; they assured us we wouldn't succeed. Well I am pleased to say that as a United community, we worked hard gathering signatures, gave up many Thursday evenings attending hearings, but it was all worth it. The town did not grant variances for the canopy or light poles. Due to our perseverance, we held an unprecedented meeting of all the candidates and the town supervisor at our clubhouse to air our displeasure with the shops at Riverhead and hear from them what they are going to do for us. They sought us out. No matter the outcome, as a United community, we were able to have our voices heard and achieve things once thought impossible. There is more to be done and we fight on. United we stand as one community bound by our desire to watch over each other and our neighbors. That is what makes Foxwood so great. Never forget, "Good things do happen when good people do something!!"

Rather than use the calling post for information on what is going on in & about our Community, it would be so much quicker and less costly to use the Foxwood HOA website emails. Please email your email address to Marylee Feldman at [stenreader@aol.com](mailto:stenreader@aol.com). The calling post would still be used to notify residents of deaths in the Community.

## **Adopt a Family for 2013**

As in the past, Foxwood Village residents will be adopting 4 families from local churches & organizations. The tree will be up in the clubhouse with the tags for the families' gifts by the November 26<sup>th</sup> HOA meeting and the Holiday Social on December 1st.

There will also be boxes for food for the families. Any questions regarding the gifts or food can be directed to Eileen Pastern at 208-3273.

**Thank you in advance  
for your kindness and generosity.**

## PuzzleMania has come to Foxwood

If you are in the Clubhouse or at home with nothing to do,  
stop in the clubhouse library

Add a piece or two.

Once the puzzle is done, don't worry because we have plenty more to  
come.
