

We've Got Mail!

To My Friends & Neighbors
At Foxwood Village

I would like to thank everyone for the love, support, cards, food and continued kindness during my recent accident which resulted in my breaking my ankle.

It is really a great feeling to know that my wife Mickie and I live in such a caring community, such as Foxwood Village.

Sincerely
Joe Dauito, #270

Dear Foxwood Friends & Neighbors,

I would like to thank everyone for the many get well cards and phone calls while my husband, Bob Hope, was in the hospital and all the cards, phone calls and kindness after he passed away. The many donations to the Heart Association and the Cancer Society are greatly appreciated.

Foxwood Village is truly a wonderful place to live.

Fondly,
Laraine Ascerno Hope, #288

Dear Friends & Foxwood Neighbors

Your Kindness Means So Much!

Just a note of thanks for all your prayers, cards & calls wishing me well, during my stay in St. Francis.

I'm on the mend & will be back in the swing of things soon.

Fondly,

Dear friends,

I would like to thank a few special people who have driven Al and I to Doctors etc. due to my double vision for the last six months.

Thank you to Marta Andreotta, Bill Ingrassia and Bill Sullivan and Joannie O'Shea. Thank you also, for all the dinners Bill has sent to us and half of the neighbors down here! As some of you know I need hand surgery, and have not been able to do much for many months! Yes, Al and I are ready to be put out to pasture!!!

So, thank you, and the many people who have offered help. It is hard to ask for help, but, thank you all.

Much love and thanks, Lyn Tyler #29

Dear Friends and Neighbors,

Al and I would like to thank you all for your calls, cards, and prayers, as he has been battling cancer. As some of you know in the last year he had shoulder surgery, gall bladder surgery, and his fractured back cemented.

He is nearing the end of his 6 months of chemo, and we are praying he will be in remission. He also will be having two more fractures in his back cemented.

Please pray for us. As some of you know, the first time you hear the word cancer, you know your life will never be the same again.

Our sincere thanks and blessings to you all.
Love, Al & Lyn Tyler, #29

Well another water aerobic season has ended. Although some of the days were cooler than we would have liked we still got in our exercise.

Our end of the year luncheon was terrific and everyone out did themselves with the wonderful food. I think we shared a nice time, good comradery and went home satisfied.

Now we certainly have to hit the gym!

Thank you all for your most generous gifts and your wonderful friendship! I'm already looking forward to next summer! Have a great winter!

See you around Foxwood Village!
