

The seasons, the people, the moments of our lives, - a day at the beach, a walk in the woods, a realization that life is passing by, a memory of those already gone. From thinking about cleaning the garage to deciding not to empty the dish rack. From a meteor shower to a missing dish at a family meal. From Biblical lessons to our bewilderment reading today's newspaper. All these are there to be celebrated, for they make up the fabric of living.
