

Hello Foxwood homeowners:

Well that time of year is here again. And along with busy holiday schedules, family gatherings and last minute shopping, we will meet one last time to elect a new executive board. It's been an education for me these last three years. Some things were good, others not so good, but through it all I know I gave this community 100% of my attention, and sometimes even more. I have no parting comment to make and no bone to pick. I wish the next administration the best of luck in their endeavors.

Sincerely,
Marylee Feldman

Recreation Committee Report

Dear Friends & Neighbors,

Well the Holiday Season is in full swing and while there may be a nip in the air, we have some warm and exciting Holiday events coming up.

First let me say that our first annual San Gennaro Pot Luck Dinner was a great success!!! Thanks to the efforts of Cathy Hannon and our Recreation Committee all who contributed and attended enjoyed a fabulous Italian feast! We all left stuffed and groaning put very happy.

Our Foxwood Village 30th Anniversary Social in Oct hosted by Peter Mastropolo was a success beyond all expectations. The fabulous hors d'oeuvres and wine were just the right accompaniment to Peter's, delightful and informative speech and history lesson discussing the evolution of Foxwood Village from farmland to our beautiful community. We all want to thank Peter, Jan, Barbara, J.D. and Junior and their families for helping us celebrate this momentous event.

Lastly, our Halloween Party was once again great fun! George Briceno supplied the music, and we had some fantastic creative and amusing costumes. The food was amazing and we also celebrated Al and Joanne Iovino's 60th wedding anniversary on that day Oct. 30th.

We have some really great Holiday Events in store:

Dec. 7th Christmas Social at the Clubhouse
(*note to all new homeowners, please bring an ornament with your name & house # on it for our tree.)

Dec. 11th Christmas Dinner Dance at the Vineyards

Dec. 31st New Year's Eve party at the clubhouse

Our community is what we make of it, by attending these events we get to socialize and have a good time. We on the committee want to encourage everyone to take advantage of all we have to offer and as always please offer us and suggestions you might have for future events.

Happy Holidays!
Merry Christmas!
