Tom & Mickey Coppola (#126)

Dear Friends & Neighbors,

I would like to express my heartfelt thanks and appreciation to everyone in the community for their support and prayers during this difficult time.

It is comforting to know that I am surrounded by people who care.

*Thank You Again,
Millie Hiller (#24)*

My Dear Friends,

I am not sure that I can express in words my utmost gratitude to all the residents here at Foxwood. The months leading up to my hip surgery were tumultuous while the days before were mixed with anticipation and last minute moments of turning chicken. But now it is done and I am glad that it is. What made it all possible is the little words of encouragement, your calls, your visits and of course your prayers. There is never anything too small that we do to help someone and I am lucky to be part of a caring community "family".

Again, Thank you and I look forward to the spring!

Paul Spina (#112)

To My Friends & Neighbors,

Thank you for your time, thoughts and prayers.
