We've Got Mail!

TO ALL MY SEWING CUSTOMERS!

Many of you have trusted me for years to handle your "shrinking" and "expanding" clothes problems...it's terrible what havoc our closet gremlins create!

I'd like to take this opportunity to thank you for your patronage...and your friendships. I hope everyone had a wonderful holiday and want to wish my Foxwood neighbors a healthy and happy 2015.

Barbara Ross, #21

Thank you to Pete Mosia aka Santa Claus for agreeing to play Santa at our Christmas Party at the Vinyards. We couldn't have picked a better person.

Your energy on the dance floor was a pleasure to watch.

Thanks also to Helen for helping Santa to get dressed.

Thanks Again
Janet Bennardo &
Bill Heiberger

To the Foxwood Village HOA,
Thank you for the wonderful basket.

I want to thank all the many residents who sent me cards, gifts and flowers. Your kindness and support was very much appreciated, and overwhelming. I've never experienced that kind of outpouring of support before.

Thank You so very much.
