

Hello Fellow Homeowner,

I hope that by the time you are reading this that all the snow has melted and spring has begun. I know it was a tough February (weather wise) but let's think positive that spring has started and soon the flowers will begin to bloom.

Please remember that if anyone has any issues or problems don't hesitate to contact me or any one of the Board members.

HOA Meetings are scheduled for April 28<sup>th</sup>, May 26<sup>th</sup> and June 23<sup>rd</sup> before the summer break

Sincerely,  
Kevin Finnegan, President

### **Keeping It Safe**

By Bill Austin, Unit 74

This past winter has been one for the books. While we didn't quite get as much snow as compared to last winter, it seemed that each week brought more of the white stuff to deal with. I hope everyone was able to keep safe and avoid injuries with all the ice and snow.

As we enter spring things should thaw and we will get the chance to once again enjoy the outdoors. While several hearty souls continued to walk in the bitter cold of winter, more of us will venture out to stroll around the community with the warming days and evenings. Please be alert as you do walk and as you drive. Keeping our community safe depends on all of us doing our part. When you drive observe the speed limit and keep an eye out for our walking neighbors. For those walking please try to keep aware of cars and stay near the side of the road to allow traffic to pass safely.

We all love this time of year and enjoy seeing the colors come alive. Let's also keep safe so we can look forward to fully enjoying the summer months.

Please feel free to speak with me directly, send me a note (please sign your name), or contact me by phone (631 669-4508) or e-mail ([dcnbill@optonline.net](mailto:dcnbill@optonline.net)). If you have a concern I will do what I can to bring it to the attention of the appropriate party either here at Foxwood or the town of Riverhead.

**I look forward to helping to keep all of us safe in any way that I can.**

### **ONE MORE BLOND JOKE !**

A guy took his blonde girlfriend to a football game. They had great seats right behind their team's bench. After the game, he asked her how she liked it.

"Oh, I really liked it," she replied, "especially the tight pants and all the big muscles, but I just couldn't understand why they were killing each other over 25 cents." Dumbfounded, her boyfriend asked, "What do you mean?"

"Well, they flipped a coin, one team got it and then for the rest of the game, all they kept screaming was... 'Get the quarterback! Get the quarterback!' I'm like...Helloooooo? It's only 25 cents!"
