

We've Got Mail!

Dear Foxwood Friends,

*Thank you for your calls, get well cards and prayers at such a difficult time for me. I dreaded what I had to look forward to . Your encouraging experiences &, comforting words and prayers were greatly appreciated
Hope to see you all soon at Bingo and Foxwood get together soon.*

*Thanks again,
Marion DiGregorio, #113*

To Our Foxwood Family,

Thank you just doesn't seem enough to let people know how our family appreciated all that was done for us. First with my accident, and then with Mom passing away.

Your thoughtfulness and kindness went beyond showing how caring people can be.

*Fondly,
Tom & Angie VanRiper, # 9*

2014 Holiday Cookie Exchange

Our first annual holiday cookie exchange was held on December 17th and was a yummy success. We had a total of 6 fabulous cookie bakers. Chris Schmidt Boswell made Gem cookies (mini pecan pies) and coconut sugar cookies. Cathy Hannon made Russian Tea Cakes. Margaret Fortunato made cream cheese rollups. Kate Joyce made Tollhouse cookies. Christine Torcivia made Angenetta (an Italian cookie) and Katie Handmade Streusel Bars. All of the cookies were terrific and George Briceno enjoyed every cookie he consumed!

Sincere thanks go out to all of the participants and especially to Kate who was not feeling 100%, but rose to the occasion most unexpectantly and had Dennis, her faithful elf, make deliveries before heading to see family for the Holidays. None of the ladies are professional bakers but enjoyed making cookies to share with family & friends.

We are hoping to make this a yearly tradition and that the word will get out and our little group will grow. So, watch for a flyer by your mailbox after Halloween to sign up by Thanksgiving and again have the exchange approximately 1 week before Christmas. We will be sure to exchange recipes over coffee, tea or cider, while we enjoy tasting the cookies, discussing our baking adventures and spend some time together listening to Christmas Carols.

*Till then, Happy Baking - Be Well & Best Wishes.
