

Recreation Committee Report

Hi Everyone, I hope you're all enjoying your summer! We want to thank you for your support for past events and we hope to see you at some of our interesting and exciting upcoming events.

Thanks to the efforts of Cathy and Jim Hannon our Cape Cod trip was by all accounts spectacular. The weather cooperated, our lodgings were warm and inviting and the food was excellent. Our guide during the trip was knowledgeable and well informed about the side trips and excursions we visited. After being together for awhile our group started to feel like a large extended family and good time was had by all.

The annual Fourth of July Party was in spite of a threat of rain a fun and exciting afternoon. The food provided by The Greek Island Diner was a culinary delight. We stuffed ourselves with delicious fried chicken, spare ribs, hot dogs, hamburgers, sausage and peppers and all the fixings. Janet Bennardo and Bill Heiberger who spearheaded this party so well, surprised us with a particularly hilarious game that was a new take on hot potato that included some interesting fashion trends for both women and men.

As you can tell by my description of these events, it is well worth your consideration to share in the fun of future events.

Upcoming Events include:

Sept. 7th Mon.	Labor Day Picnic
Sept. 24th Thur- 28th Mon.	Boston/Salem Trip
Oct. 3rd Sat.	San Gennaro Festival Dinner
Oct. 31st Sat.	Halloween Party
Nov. 14th Sat.	Veterans Day Celebration

Please watch for fliers!

We'd love to see you all at these events and please contact us with any questions or suggestions.

My trip to the store

There was a bit of confusion at the store this morning. When I was ready to pay for my groceries, the cashier said, "Strip down facing me."

Making a mental note to complain to my congressman about Homeland Security running amok, I did just as she had instructed.

When the hysterical shrieking and alarms finally subsided, I found out that she was referring to my credit card.

I have been asked to shop elsewhere in the future. They need to make their instructions to us seniors a little clearer!
