

## A Note From Our President

Hello Fellow Homeowners,

I hope everyone enjoyed the wonderful summer we had this year. The weather cooperated and there was another year with lots of pool time.

Bocce season ended on a high note and would not have been as successful if it wasn't for the work each week of Paul Spina, Carlo Pecoraro, Denis Joyce and Mike Moylan .

Golf season under the coordination of Jerry Dolson (assisted by his wife June) continues every Tuesday afternoon as long as the weather holds out.

By the time you read this Bill Fortunato will have conducted three CPR classes for about twenty residents. More classes are scheduled for October. If interested in getting into a class please contact Bill. Bill would not be happy if I didn't mention the people behind the scene that helped him get this program started. They are his wife Margaret, Cathy Hannon, Denis Joyce and Paul Spina.

I would like to remind everyone to please be aware of how fast they are driving in the community. There are lots of people that exceed the 15 mph posted speed limit. There is still an opening for a Traffic and Safety person to help with any issues that come up.

In closing I would like to remind everyone that if you have any issues or problems don't hesitate to contact me or any other member of the Board.

Sincerely  
Kevin Finnegan, HOA President

## From the Editor

Greetings,

After working hard at producing our newsletter for the past three years Carolee Olsen has decided to take a well earned rest. Well, not really a rest since she will continue to take care of the advertising, not a small job for sure, but she decided to hand on the editorial responsibilities. I know we are all appreciative of Carolee's hard work in doing such a great job in producing Foxtales. Each issue was very informative and enjoyable, a tribute to her creativity and skill. Thank you, Carolee, we wish you the best.

As we move forward I will be handling the task of editing Foxtales. While I will do my best to continue to produce a top quality newsletter, as Carolee has done, I ask your patience, especially with the first few issues. I also welcome your feedback. Please don't hesitate to let me know what you think about Foxtales and if there is any way I can improve things. I promise, I have a thick skin (and some would say a thick head, as well) and will not be offended in any way. Honest critique is the only way things get better, so let me know what you really think.

I look forward to serving our community as best I can. If you have any articles or information you would like published please let me know.

Thanks,  
Bill Austin Unit 74
