Bridge Anyone?

I would like to introduce myself to all of you at Foxwood Village. My name is Laura Bott and I am enjoying my new house # 250 which I moved into in June.

Everyone seems to be so friendly and all enjoy living here at Foxwood so I am expecting this move to be a very good fit for me.

I also see from the activities that a lot of you enjoy card games. I would like to set up a Bridge Group and would like to teach the game to anyone that might be interested. I will type up a sign up sheet and leave it in the club house.

If we have enough people, we would need a minimum of 4 - 5. I will then check to see what night would be available and I thought it could start in October/November.
