

Please come to a Holiday Cookie Exchange

Tis a month before Christmas when in Foxwood
There are still many neighbors who meet we should

With our weekends very full, I'm hoping you're still available
To bring some festive cookies to set out on the table

We'll get the day started with a little fun and some treats;
Then you can trade with some others and take plenty home to eat.

Just mix up some batter and a colored sprinkle or two;
Drop by in the afternoon for a visit and warm brew.

Bring 6 dozen cookies on your favorite holiday platter
(If you don't celebrate "Christmas," shoot, that doesn't matter)

Since it is just us gals, please don't bring kids or the spouse
Alas the party takes place at our little club house.

If you simply can't make it and still want the sweets
Drop off your exchange cookies to later receive your platter of treats

You'll receive takeaway bags to pack up some tasty goods.
Do come festively dressed and we get to know the neighborhood.
