## **Interested in Genealogy?**

Greetings to my Foxwood Neighbors,

My name is Carol Proven. My husband, Dennis and I are new residents in the community. We moved into #20 in August. We are delighted to meet our new neighbors and want to thank you for accepting us with open arms.

My passion is Genealogy. Not only has my genealogy research helped "put flesh on my ancestor's bones" but it has also given me the opportunity to teach the subject. If anyone is interested in being part of a Genealogy Club, please let me know. I would be happy to organize it. We could reminisce about our ancestors or perhaps you would like guidance on how to research your ancestors and create a legacy.

We can meet in January and set up further meeting days. I will put a sign up sheet in the club house. You may also reach me at 475-5026.

Jim and Cathy Hannon would like to thank all of the following:

Irene and John for the great Bocce dinner it was a great night.

All of the great people who made the San Gennaro a great time. Boy can our community members cook. Delicious fun by all. Thank you Paul and Ellen for the Zeppolis and Oreos.

Bill Fortunato for providing the fun fill entertainment. A big shout out to Bill and Margaret for reaching out in helping to keep our community a safer place to live.

Thank you to Ed and Betty Powers for the beautiful mums donated by their children for our Halloween Party and Clubhouse.
