## FROM THE PRESIDENT

Hello Fellow Homeowners,
First I would like to thank everyone for their continued support of the Board by voting us in for another year. We will try to keep things on an even keel and keep you informed of what is happening here at Foxwood.
Let's hope the weather continues to cooperate with everyone's busy holiday schedules, family gatherings and shopping. It is only three weeks until the official start of winter.
It is time to start preparing for the cold weather by putting away items that might be affected by the cold weather (like hoses). It is also time to make sure that your snow removal equipment is in working order and moved into place ready for use (just in case).
If it is going to snow please don't park on the street as it hampers the snow plows from doing their job of clearing the streets.
Be aware of other cars when entering intersections within the community and please slow down.
Don't forget the "gift giving tree" for the less fortunate that will be in the Clubhouse before the enjoyable Christmas Holiday Social on December $4^{\text {th }}$.
If you have any issues, problems or suggestions, please don't hesitate to contact myself or any other Board member. In closing, I would like to wish everyone an enjoyable Holiday Season and a Happy/Healthy New Year.
Kevin Finnegan, HOA President
PS: We still need volunteers for the Recreation Committee and the community Photographer position is still open.

## FROM THE EDITOR

It seems that each year the holidays arrive sooner. It's hard to accept that another year is coming to an end, but soon we will be looking forward to 2017.
As I write this we've just experienced new elections. Fortunately, the Foxwood Village elections were much less contentious than the national elections. As Kevin said in his letter above, your support for the Board is appreciated. We will do our best to keep the HOA running smoothly.
In this issue you'll find pictures of several events that were enjoyed by our neighbors. There was the Cruise to Canada, the Halloween Party, the Ladies Tea and the Veterans Breakfast, to name a few. I hope the pictures bring back memories of fun times for those who participated and encourage others to join in on future events.
We could really use a person or two to take on the responsibility to taking pictures at our community events. We already have a digital camera that is quite simple to use, all we need is someone to press the button. Either Paul Spina or myself can handle downloading the pictures for the camera for publication, so there is no need for technical expertise. Please consider becoming involved in the fun here at Foxwood Village by recording the memories on film-I mean pixels.
You might have noticed, but in case you didn't, the cover picture for this issue is the club-house Christmas tree from last year. This year we hope to add a bit to the display. A Foxwood Village Model Railroad Club is in its infancy here and our first project is to install a train under the tree. So look for the choo-choo as it chugs its way around the tree.
I want to wish everyone here at Foxwood Village a very Happy Holiday season. Merry Christmas, Happy Hanukkah, and Happy New Year to all. And may we all enjoy a healthy and peaceful New Year.
Bill Austin
Editor, Fox Tales

## RECREATION REPORT FOR DECEMBER, 2016

To Review:
Our Ladies Tea, September 23, 2016
A very enjoyable, comfortable day was spent with the ladies of Foxwood. Some of the ladies dressed for the occasion while others preferred to be more casual. Either way, the ladies tea was a pleasant way to bring an end to the summer, chat and catch up with friends and acquaintances to maybe discuss events for the coming months.

Halloween, October 31, 2016
It was a smaller group than usual, but in no way smaller in imagination or stature. The costumes were, as always, very creative and original. The music was just the way we like it, and of course, the food was delicious and plentiful as a lot of guests took home a portion of their meal for the next day. Prizes were awarded for the best costume in men, women, couple and most original. Needless to say, in the "most original" category, Mickey and Tom Capolla ran away with it. They were hysterical. We even had a delivery on the dance floor. And if you don't know what I am talking about, then it's your own fault for not being there. Maybe next time.
Veterans Day Breakfast November 12, 2016
This day is special not only for our country but for our veterans here in Foxwood who have served in all the branches of the armed forces. Their commitment and bravery during some of the worst incursions our country has seen is something to be honored and appreciated by all of us.
Bill Austin did an eloquent job of pointing out just what these men gave to all of us. We humbly thank them for their service.

Breakfast was done very nicely. The food was good and lots of it. Thanks to Jim Hannon for his efforts in coordinating this important day.
The recreation committee is still looking for volunteers to help in these events we have during the whole year. Any questions, please call anyone on the committee for information. Thank you.
Marylee Feldman

## The Holldays Explained

Christmas - Jesus was born about 6 BC. By AD 200, the story of Jesus' birth, life, death, and resurrection had been spread over much of the known world. Still, most Christians did not celebrate the birth of Jesus as a separate feast day for centuries. For one thing, nobody really knew when Jesus was born (although they knew the anniversary of His death and resurrection, so Easter was celebrated almost from the beginning). Eventually the established church gave up trying to keep their Roman converts from joining in non-Christian midwinter feasts such as Saturnalia. They decided to celebrate the birth of Jesus on the winter solstice (or as close as they could come with their ancient calendars). Christmas eventually emerged as an important Christian Holy Day, second only to Easter

Hanukkah - is a Jewish holiday that starts on the 25 th of the Jewish month of Kislev, which coincides with late November-late December on the secular calendar. It is celebrated for eight days and nights. In Hebrew, the word "hanukkah" means "dedication." The holiday commemorates the re-dedication of the holy Temple in Jerusalem following the Jewish victory over the Syrian-Greeks in 165 B.C.E.

## For Our Furry Friends

I plan to visit the animal shelter some time after the holidays. They are always in need of bath towels, bathroom floor mats and blankets. Bags of food, cat and dog, are always welcome too. If you have any of these items you are no longer using, you can drop them off at my house.

## Joan Dowdle, Unit 91

## MAHJONG

Players needed! Please join our Mahjong group on Thursdays at 1:00 in the clubhouse. Beginners welcome

## DATES TO REMEMBER

to donate non-perishable food instead of gifts. All gifts and food can be placed in the boxes near the tree. They will be sorted and picked up by the church on Dec. 13.
As Always, thank you all for your generosity.
Eileen Pastern, Unit 51

## Gift ITPe

Our gift tree will be up before the Christmas Social. All gifts and food items must be returned by Dec 11. The gift must be wrapped and must have the original tag attached to it.

We are very grateful to anyone who would like

## Keeping It Safe

You've no doubt noticed the white lines at the Middle Road end of our driveway and near the guard booth on the entrance side. For the most part these have been effective and most people follow them.
Please remind your visitors about the lines. On entering Foxwood from the east on Middle Road the lines are intended to remind drivers not to cut across the exit lane of the driveway. The lines on the entrance side are intended to remind drivers heading toward the "new" section to not cut directly across the exit lane. Ignoring either procedure could result in a serious head-on collision. Remember, the privilege of driving entails the responsibity to drive safely. And as always please follow the 15 MPH speed limit while driving in Foxwood.

## When it Snows

- Remember, in order to allow the roads to be cleared effectively please do not park vehicles on the street when snow is forecast.
- If you prefer not to have your walk or driveway shoveled by the workers who come into Foxwood early put a "NO SHOVEL" sign on your front door. If you change your mind later in the day simply remove the sign.
- To avoid having to shovel out the end of your driveway repeatedly wait until the snow plows have completed clearing the road before shoveling.
- Finally if you must drive in the snow keep it slow and watch out for the other guy.

## What's On Your Mind <br> Submitted by Joe Spano \#97

"If you're feeling frightened about what comes next, don't be. Embrace the uncertainty. Allow it to lead you places. Be brave as it challenges you to exercise both your heart and your mind as you create your own path toward happiness; don't waste time with regret. Spin wildly into your next action. Enjoy the present, each moment, as it comes because you'll never get another one quite like it. And if you should ever look up and find yourself lost, simply take a breath and start over. Retrace your steps and go back to the purest place in your heart . . . where your hope lives. You'll find your way again."

## COOK'S CORNER by Catherine Hannon

2 stalks celery thinly sliced on the bias, plus $\frac{1}{4}$ cup celery leaves.
3 cloves garlic, thinly sliced. 1 can(4.2 ounces) sardines packed in olive oil, drained 10 ounces short tubular whole wheat pasta (penne or elicoidali).
Grated zest of 1 lemon. Coarse salt and freshly ground pepper.

1. Heat oil in a large straight-sided skillet over medium-high heat. Add fennel, celery, and garlic and cook, stirring frequently, until tender and deep golden, about 8 minutes. Remove From heat.
2. Meanwhile, bring a pot of generously salted water to a boil. Cook pasta according to package instructions. Reserve 1 cup pasta water; drain

& \text { ROASTED TOMATO SAUCE } \\

\text { 3tbs fresh lime juice }
\end{array}

$$

Make the Tomato sauce: In a skillet toast the garlic, chilies and three-quarters of the tomato over moderately high heat, turning until lightly charred all over. 3 minutes for the garlic and chilies and 7 minutes for the tomato; let cool. Transfer to a blender, add the fish sauce and remaining tomato and puree until nearly smooth. Season the tomato sauce with salt.

## COOK'S CORNER continued

Make the steamed fish: Fill a flameproof medium roasting pan with 1 inch of water and set a rack in the pan. Make 5 parallel slashes to the bone on each side of the snapper. Lightly season the fish inside and out with salt. Stuff the ginger in the slashes; then stuff any remaining ginger inside the cavity along with the lemongrass and lime leaves. Set the fish on a large rimmed heatproof plate and set it on the rack; the water should not touch the plate.

In a bowl, whisk the fish sauce, lime juice, sugar and chilies. Pour the sauce over the fish. Cover the pan tightly with foil and bring the water to a boil. Steam until opaque throughout and the meat flakes easily. 10 to 12 minutes. Carefully remove the foil and transfer the fish and its juices to a platter. Garnish with basil and serve with the roasted tomato sauce and rice.

## Feast of the Seven Fishes

The Feast of the Seven Fishes is part of the Italian-American Christmas Eve celebration. The long tradition of eating seafood on Christmas Eve dates from the Roman Catholic tradition of abstinence. In this case, refraining from the consumption of meat or milk products - on Wednesdays, Fridays and (in the Latin Church) Saturdays, as well as during Lent and on the eve of specific holy days. As no meat or butter could be used on such days, observant Catholics would instead eat fish, typically fried in oil.

The meal may include seven, eight, or even nine specific fishes that are considered traditional. The most famous dish Southern Italians are known for is baccalà (salted cod fish). The custom of celebrating with a simple fish such as baccalà is attributed to the greatly impoverished regions of Southern Italy. Fried smelts, calamari and other types of seafood have been incorporated into the Christmas Eve dinner over the years.

There are many hypotheses for what the number " 7 " represents. One popular theory is that the number represents the seven Sacraments of the Roman Catholic Church; or it represents the Seven hills of Rome that surround the city.

## This and That

## Exorcism

Three buildings in town were overrun by squirrels-the town hall, the hardware store, and the church. The town hall brought in some cats. But after they tore up all the files, the mayor got rid of the predators, and soon the squirrels were back.

The hardware store humanely trapped the squirrels and set them free outside town. But three days later, the squirrels climbed back in.

Only the church came up with an effective solution. They baptized the squirrels and made them members. Now they see them only on Christmas and Easter.

## Postal Diversity During the Holidays
