Selling your Home?

Before choosing to list your home with an outside broker, here are few things to consider:

- Foxwood Village Sales <u>DOES</u> list your home on Multiple Listing Service (MLS)
- It is important to know that Homes which are listed on MLS through an outside broker CANNOT be shown by our sales staff
- All potential buyers must still be approved for residency by our management
- All closings must still take place at the Foxwood Village office
- When Foxwood Village Sales is not the listing broker, a \$500.00 closing fee will be assessed as our staff must still process paperwork at the closing
- It is important to recognize that a home sale in a land lease community is different than a traditional real estate sale, and many outside brokers are not familiar with the process. Our staff are experts in these type of transactions and can handle the sale of your home in a smooth and efficient manner.

From The President

Hello Fellow Homeowners

Happy New Year. I hope that you all have a prosperous, safe, healthy and happy 2019. I know the weather has been cold, but on a positive note spring is only six weeks away.

Since the last issue of Foxtales there have been several very successful social events. The Christmas Social and Christmas Dinner Dance at Giorgio's were enjoyed by all who attended (thank you Recreation Committee). There was also a group of residents who got together as Carolers and brought Christmas spirit to several people before Christmas. The mail boxes in the clubhouse were well used for holiday cards. Several people got together to celebrate New Year's Eve at the clubhouse.

I want to thank all those people who volunteer to coordinate the various activities here at Foxwood. I would be remiss if I didn't mention the beautiful train display the Railroad Club put up in the Clubhouse.

Coming up in two weeks is the Valentine's Day luncheon and in March the St. Patrick's Day party.

If you don't want your walk shoveled by the outsiders put a big and bold "NO SHOVEL" sign on your door when the snow begins. Take it down if or when you want your driveway shoveled. Remember parking on the street hampers the plows from doing their job. Also, remember that the plows go around several times, so if you dig out early you could get plowed in again. Please don't blow your snow into the street.

With the snow piles obstructing our view it is more important than ever to drive slowly.

I hope to see you all at the February 26th HOA Meeting.

2019 HOA dues can be given to any one of the Board Members.

If you have any issues, problems or suggestions, please don't hesitate to contact me or any other Board member.

Sincerely,

Kevin Finnegan, HOA President

From The Editor

As we write this, it is almost mid January and so far the weather has been mild. (Rainy but mild.) The weather forecasters are calling for quite a bit of snow this weekend. The snow sticks are on the curbs, the NO SHOVEL signs are on the front doors, the wind is howling and all of our bones and joints are creaking! Ah, the joys of getting older! By the time you read this during February, hopefully Spring will be in the air and Old Man Winter can lie down for his long nap!

This past holiday season was the first for the "Mailbox Challenge". Thank you to all who stepped up to the challenge! It was wonderful riding around and seeing the holiday spirit on display! The Holiday Carolers made their rounds and were greeted by many residents. The Christmas Social on Dec. 2nd was so much fun. The clubhouse was in its full holiday regalia. And to top it all off the Holiday party at Giorgio's will be hard to top! Thank you to the recreation committee for all that you do!

As the winter weather settles in for a hopefully short stay, please check on your neighbors. If you have an elderly or infirm neighbor, PLEASE set up some sort of communication with them to acknowledge that they are safe. Take note if a newspaper has not been picked up, if a light has been on all day or night, if a home is darker than usual, or a garage door has been left open. These simple observations have all recently led to possibly saving a life, right here in Foxwood Village.

Stay safe and healthy in 2019!

Dave and Maryann Soika.

To my friends and neighbors of Foxwood Village

Many, many thanks to all here in Foxwood, who have visited, called and wished me well during my recent kidney surgery. Your kind thoughts, prayers, get well and Mass cards were so very much appreciated. Your kindness and good wishes meant so much to me. Once again my sincere thanks to all.

To My Friends in Foxwood Village

Foxwood Village has been my home since 1985. Over the years, I have taken great pride in my home, yard and community. I have enjoyed living in Foxwood and watching it grow to the great community it is today. Thank you to Peter and the Staff.

I have seen many friends come and go, and now it is my turn. I would like to thank all of you who took time to visit me, send cards or flowers and of course Eileen and Frank, my neighbors for helping with everything that needed to be done.

Foxwood Village Family Adoption

Our community family adoption came to an end December 15th. The pick-up of the gifts and food was complete on December 20th for delivery to the families. We had 3 families from St. Isidores' and families from the Living Water Church.

Everyone in Foxwood Village should be proud of the overwhelming generosity that was shown by all for the eight families adopted this year. It should warm all of our hearts to know that these families will have a wonderful holiday and warm clothes for the winter due to the caring and kindness shown by the families in Foxwood Village. Each family received several bags of groceries from the donated food.

Eileen Pastern

To the entire Recreation Committee.

Thank you so much for such a lovely Christmas Social on December 2nd. Thanks for all your hard work.

Joan & Jim Spates

I'd like to thank my neighbors for all their concern and help as I recover from recent debilitating injuries I received in a fall in my home. Edna and Tom Kielbinski (122) and Paula and Joe Buccellato (34) have provided needed help by sending over meals, getting my mail, taking care of putting out the garbage and in general taking care of me during my convalescence. As with everyone who lives in our community, they are truly caring and good neighbors; I can't thank them enough. As I've always said, Foxwood is a great place to live.

Sandy Kaczynski (123)

Congratulations to **Karen Boswell** on her recent retirement effective January 18, 2019.

Enjoy your retirement -----Best of Luck

To Our Foxwood Friends and Neighbors,

Words can hardly express the thanks we feel for everyone at Foxwood Village. When my Mother passed away in December, and still now, Denis and I were overwhelmed at the love and kindness shown us. Thank you for the calls, cards, flowers, food, donations, and everyone who came to the wake and mass. We are very grateful.

Before she passed away my mother, Pat, asked me to tell the women in the book club how much it meant to her to have been part of the group. Even though she didn't live here everyone welcomed her, and she loved you all. With deep regard,

Kate Joyce

Looming, crocheting and knitting are all relaxing, stress free and rewarding activities. Many men and women partake in some of the crafts in their free time.

We found, after talking amongst a group, that most of us would craft at home, by ourselves, watching TV or just out of boredom. That just had to change!

On Thursday afternoons at 1:00 in the clubhouse, a small group of women gather to share our knowledge of the crafts, to teach a newcomer what we've all discovered, or just for an hour or two of conversation and company.

We make lots more than pot holders and hats! (Though we are pretty good at those, too!) Blankets, amigurami toys, scarves, prayer shawls, baby booties, even clothing are some of the items we have created.

We share patterns, ideas and conversation. Come on down and join us!

There is always yarn, looms, hooks and needles in our craft bags. If you'd like to just give it a try, bring yourself down to the clubhouse on Thursdays at 1:00pm

RESIDENT OF THE MONTH

FRANCES MAPES

#138

Frances, who is known by everyone as Frit, was born in Riverhead. She was raised on a farm in Aquebogue. In 1948, she married and lived in Riverhead until 2002. She was widowed in 1973 and lived with her son until he married. Frances had a sister Regina who was widowed in 2002. One day, Regina announced, "We are going to live together." The two sisters decided to buy a house here in Foxwood Village. They felt that they weren't alone since there were many friendly people here. Frit and Regina were very happy with their decision and felt that it was the best thing they ever did!

Since I have lived here, I have observed that Frit has been involved in so many activities here in Foxwood and in the outside community. In January, while she attended our Bingo Club, everyone sang "Happy Birthday" to her as she celebrated her 93rd Birthday.

Recently, when I told her that she is an inspiration to me, she replied with a smile, "I have to keep going, if I don't I will wind up in a nursing home."
