

!!! This is a new scam that I had not heard of before and perhaps you had not heard of it either.

### **90# on your telephone**

I dialed '0' to check this out, and the operator confirmed that this was correct, so please pass it on.. (I also checked out [snopes.com](http://snopes.com) and [truthorfiction.com](http://truthorfiction.com). This is true, and also applies to cell phones!)

### **PASS ON TO EVERYONE YOU KNOW**

I received a telephone call last evening from an individual identifying himself as an AT&T Service Technician (could also be Telus) who was conducting a test on the telephone lines. He stated that to complete the test I should touch nine (9), zero (0), the pound sign (#), and then hang up. Luckily, I was suspicious and refused.

Upon contacting the telephone company, I was informed that by pushing 90#, you give the requesting individual full access to your telephone line, which enables them to place long distance calls billed to your home phone number.

I was further informed that this scam has been originating from many local jails/prisons. **DO NOT press 90# for ANYONE...**

**After checking with Verizon they also**

**said it was true, so do not dial 90# for anyone !!!!!**

**PLEASE HIT THAT FORWARD BUTTON AND PASS THIS ON TO EVERYONE YOU KNOW!!!**
