

# Hear Ye Hear Ye

**The Recreation Committee is looking for volunteers. We meet the first Monday of each month. Bring your ideas and enthusiasm. Please contact one of the Recreation Committee Members if you are interested.**

**One of our most exciting evenings has been the Horseracing Night with Jim Windsor doing the marvelous announcing of each race. Jim is unable to do it this year and has stepped down. We now need someone to step up and take the “reins”. Without a new announcer, we will probably have to cancel this fun night. Please contact one of the Recreation Committee Members if you are interested.**
