Dear Homeowner,

I am writing in regards to your mobile/manufactured home. Right now, Priority Funding, LLC is offering special financing programs for mobile/manufactured homes in your community. Rates are still low in most markets!

We offer the following finance or refinance programs for homes in parks and co-ops:

- Very competitive interest rates
- Debt consolidation loans
- Cash out loans (including loans for home improvements)
- Financing and insurance programs exclusively for mobile/manufactured homes in parks

By refinancing today, you could potentially lock in a lower interest rate, drop your monthly payment, and save hundreds or even thousands of dollars over the life of your loan. Even if you own your home free and clear, you could potentially finance to consolidate your credit cards, car loans and other debt into one lower monthly payment or even cash out funds for other needs.

Please call us today at 1-877-393-5511 or simply apply online at www.priloan.com. I look forward to working with you soon!

Sincerely,

Brian Hines
