Re: Resident Keys

Dear Residents:

I am reaching out today to inform you that you can retrieve your home keys at the management office which were retained under previous management company. Please note that you will have to sign a document noting that your keys were returned to you.

I appreciate your cooperation regarding this matter. If you have any questions or concerns, please do not hesitate to reach out to me.

Thank you for your continued residency with Foxwood Village!

Sincerely,

Peter Muneyyirci, Community Manager
