PRESIDENT'S LETTER

I hope that everyone is doing well. It happens every year but it still comes as a shock when the temperature goes into the 30's and we realize that summer is over.

Based on what I know, we the residents have been doing OK with COVID. We've had only a few cases. Things are starting to return to normal. Flu shots were given to 67 residents October 12th.

The Recreation Committee held a very successful Halloween Party and Veterans Day Breakfast. They are currently planning the Christmas Social on Sunday December 4th and the Holiday Party at Giorgio's on December 15th. Details for both are located at all the Mailboxes and on the Website. Sign-up sheets are located in the Clubhouse.

The Cookie Exchange is being planned again this year on Friday December 16th. Details are on the Website and at all the Mailboxes.

I would like to remind everyone to check on their neighbors as winter sets in and we all become more housebound than we have been.

Bingo is still every Wednesday at 7pm and being coordinated by Susan Cacciola.

Just a reminder that all sprinkler systems should have been winterized by now. The last thing I want is snow but it is time to ensure that your snow removal equipment is in working order and moved into place, just in case.

Remember that December 7th is the deadline if you are changing your medical insurance.

I would like to thank all the residents who organize and ran the various activities this year at Foxwood. Thank you.

Remember to lock your car if you leave your car in the driveway overnight. It's a good idea to leave your outside garage lights on as an additional deterrent.

Please contact the Foxtales advertisers for estimates. Their advertising dollars allow us to subsidize various functions throughout the year.

Remember that if there are any issues, problems or suggestions don't hesitate to contact me or any other member of the Board.

In closing, I would like to wish all of you a very Merry Christmas, Happy Hanukkah and a Healthy and Happy New Year.

Stay well and be careful

Sincerely

Kevin Finnegan, HOA President

Note from the Editor

There is a metal box labeled "Fox Tales" on the front porch of #81 for anyone to drop off any articles, notes, or letters for next issue. Please submit all materials by the 23rd of the month before each issue. This gives me time to finish before the publishing deadline.

Thank you. Susan Cordaro, Editor, Fox Tales

There are no words adequate enough to express the gratitude I have for the wonderful friends of Foxwood Village. Carlo and I were overwhelmed by the love and support that poured in during the past difficult 6 months and now with his passing. The cards, prayers, phone calls, food and tributes are so appreciated. The visit's brightened Carlo's days. Carlo has transitioned on to his next adventure. His spirit will be with us always.

All my love and gratitude,

Angela Pecoraro

To friends and neighbors of Foxwood Village,

First of all, I would like to apologize for not putting the notification of Joann's passing in the phone alert. I know more of you would have been with us. However, I would like to thank all of you for your prayers, cards, and well wishes.

Joann was happy here.

Thank you everyone for being there for me and my family at this very sad time. Thank you all for your good wishes, phone calls, food and donations to the American Heart Association.

BOOK CLUB The book club continues to meet the third Wednesday of every month at 2:00 PM in the clubhouse. The meeting for October took place at Kenny's on the Green where we enjoyed friendship and a delightful luncheon.

In November we met to discuss What Happened to the Bennett's by Lisa Scottoline. This suspenseful mystery thriller kept us all on the edge of our seats and made us want to read more of this author's works.

We will not meet in December since many of us are very busy with holiday preparations and visits. Our meetings will resume on January 18, 2023, when we will review The Lost Apothecary by Sarah Penner. We'll meet again on February 15 to discuss Fly Away by Kristin Hannah who is one of our favorite authors.

As always, we invite anyone and everyone in Foxwood to join us at any time. All you have to do is come to a meeting and pull up a chair and relax. On behalf of the Book Club membership, I wish everyone a healthy, happy and joyful holiday season. Stay well, stay warm, and try curling up in a cozy chair with a good book. "If you have a garden and a library, you have everything you need" - Cicero

"Please remember during the month of December to check the clubhouse mailboxes for your Holiday Cards."

COOK'S CORNER

Catherine Hannon

ENJOY THE FOLLOWING TREATS FOR YOUR HOLIDAY TABLE.

Cranberry Orange Scones:

1/2 cup flour
1 tablespoon plus 1 teaspoon sugar
1/2 teaspoon baking powder
1/8 teaspoon salt
3/4 teaspoon grated orange zest or 1/4 teaspoon pure orange extract
2 tablespoons unsalted chilled butter, diced
1/4 cup milk
1 tablespoon beaten egg
2 tablespoons dried cranberries

1. Preheat the oven to 375, shifting the rack to a middle upper setting if using a full size oven.
2. Combine the flour, sugar, baking powder, and salt in a medium mixing bowl; if using orange zest add as well.
3. Using a pastry cutter or fork, cut in the butter until it resembles coarse crumbs. Combine the milk and eggs. Stir into the dry ingredients along with the dried cranberries until the mixture holds together.
4. Scoop into two even mounds onto an ungreased baking sheet lined with parchment baking paper. If you wish brush the tops with a little beaten egg. Bake for about 25 minutes, until they are puffed, firm to touch, and light golden.

CINNAMON TOPPED BLUEBERRY MUFFINS:

Ingredients:

2 teaspoons butter, melted
2 tablespoons milk
1 tablespoon beaten egg
1/4 cup flour
1 tablespoon sugar+2 teaspoons
3/8 teaspoon baking powder
1/4 cup blueberries
Pinch of cinnamon

1. Preheat oven to 375, Combine the melted butter, milk, and egg in a small mixing bowl.
2. Add the flour, 1 tablespoon of sugar, salt, and baking powder, stirring together until just well blended. Gently stir in the blueberries. Divide the mixture evenly between 2 paper-lined muffin cups that have been sprayed lightly with nonstick cooking spray.
3. For topping, combine the 2 teaspoons of sugar with the cinnamon and sprinkle evenly over the tops of the two muffins. Bake on a upper rack for approximately 20-25 minutes until the muffins are puffed, golden brown, and firm to touch.
4. Allow muffins to cool slightly before enjoying; the blueberries will be quite hot when first removed from the oven. These are best eaten fresh. The cinnamon sugar topping will soften with time.

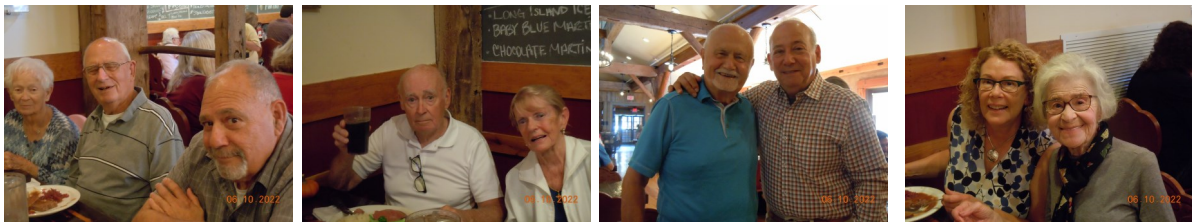

GIANT BUTTER FLAKE BISCUITS:

Ingredients:

2/3 cup flour
1/4 teaspoon salt
1 1/2 teaspoons baking powder
2 teaspoons sugar
2 tablespoons plus 2 teaspoons cold butter
3/8 cup milk

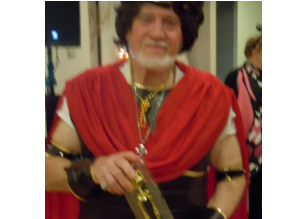

1. In a small bowl, stir together the flour, salt, baking powder, and sugar.
2. Shred the very cold butter directly into the dry ingredients and toss lightly. Pour the cold milk over the mixture, stirring with a fork until it holds together.
3. Gather the dough together with your hands and pat it out and fold over 3/4 times on a floured surface. Divide in half and lightly pat each half to about 1" thick, as close in size to the perimeter of your designated cutter as possible. Cut using a round cookie cutter. Cutting the edges allows the biscuit to rise more evenly, giving you a nice big biscuit.
4. Bake in a 375 oven for about 20 minutes, until light brown. Serve hot and with butter, jam, or honey.

What is a secure and protected website VS an unsecured and unprotected website

There has been some question about our website's unsecure status, and I want to address that issue. It is very important to understand this especially with all the online shopping we do and even more so around the Holidays.

See the padlock in corner next to the HTTPS: This denotes a secure and protected web site

No padlock before HTTP and words unsecure means an unsecure and unprotected site

Many antivirus programs will point out when you go to an unsecure and unprotected website. This does not mean the website will cause a virus in your computer. Your antivirus should BLOCK access to any such sites.

So, what is the difference. First to be a secure and protected site you purchase a certificate every year. That certificate then shows that you have taken steps to protect a customer's secure information like social security numbers or bank numbers. and financial records like credit cards. The HTTP(S) for secure.

Secure sites use encrypted information and unsecure use plain text

Foxwood web site does not have a certificate because the high cost is not worth the expense because we neither receive nor take personal information from our residents or financial information. We are strictly an community information generating site. The HTTP (no s)

As such our site is safe and secure for all to use.

Regarding anti-virus: we do have a very secure Firewall that we pay for that protects the information we generate on our site.

The answer to the question is **our site Safe** to use? **YES it is.**

IN SUMMATION

You can look, read and get ideas from a website marked unsecure and unprotected like Our Foxwood Site because it is a known site to you. Never, Ever give to a site marked unsecure or unprotected any personal information or credit card information.

If you come upon unsecure or unprotected sites on the web you are NOT familiar with, if possible, avoid it. You usually can find what you are looking for on another secure site.
