## *Book Club*

The Foxwood Book Club continues to meet on the third Wednesday of each month at 2:00 PM in the clubhouse. Our selections for June and July were “Loyalty” by Lisa Scottoline, a historical fiction novel about the beginnings of the Mafia in Sicily, and “The Seven Husbands of Evelyn Hugo” by Taylor Jenkins Reid. The “Seven Husbands” is a fictional account of a famous Hollywood star and her many loves and losses. Set in the late 50’s and early ‘60’s, it gave us a fascinating look at what life might have been like for the super stars of that era. We will meet again on August 16 to talk about “Every Fifteen Minutes”, a psychological thriller by Lisa Scottoline. On September 20, we will discuss “Maria” by Eugenia Price. This work of historical fiction will take us to colonial times and the early settlers of St. Augustine, Florida. The Book Club is open to all. Join us at any time, at any meeting.

“Books may well be the only true magic.” - Alice Hoffman

Foxwood Village Yard Sale will be held on Saturday, September 16, 2023, with a rain date of September 17. Sign up in the clubhouse. Fee of \$5 per household will be collected. Help will be needed at the front gate, so please volunteer if you would like to offer assistance.

Hi Neighbors,

I am thinking of starting a new club – “The Arthritic Fingers Club.” No, I don’t have any cures, just complaints.

Trying to open a new bottle of mouthwash. First it had shrink wrap around the cap. Had to use nail scissors to cut under the wrap. Now the diagram on the cap shows squeezing and turning at the same time. Well, I tried a few times. My poor fingers. Well, out came the adjustable pliers. Finally, success!

Now, let’s talk about cardboard packaging. From small boxes of bottled vitamins to frozen food boxes and large boxes of canned cat food. This heavy cardboard is so hard to rip open. Maybe these manufacturers think we may re-use these boxes to place into Time Capsules to last one hundred years.

Okay, enough complaining for one day. So neighbors, wishing you a good summer, free of pain and broken finger nails.

## AN IMPORTANT MESSAGE FROM THE WEBMASTER

We have been trying to maintain a strong email system here in our community. We have successfully been able to bring important information into the homes of so many in the community. We understand that there may come a time when you need to make a change to your email provider and get a new email address. We ask that when you do, that you notify us of the change. Returned emails in a mailing system as large as ours cause us many internal problems as we must determine if there is an internal error or if the problem is your email itself. The easiest way to notify us of a change is to send an email from your new email address to us at [Webmaster@foxwoodvillagehoa.com](mailto:Webmaster@foxwoodvillagehoa.com) and put the new email address in the subject heading. Also, if you are not yet part of our email system but would like to be added to the list. You can also send an email to [webmaster@foxwoodvillagehoa.com](mailto:webmaster@foxwoodvillagehoa.com) and say add my email address in the subject heading. We appreciate your cooperation in this matter.

# COOK'S CORNER by CATHERINE HANNON

## Zucchini

Turning summer's bounty into an easy main dish and dessert.

### Stuffed Zucchini:

#### Ingredients.

6 medium zucchinis

Kosher salt to taste

3 tablespoons olive oil

1 pound sweet or spicy Italian sausages(uncooked), removed from their casings

1 small onion, diced

1/4 cup finely chopped sun-dried tomatoes (dried or packed in olive oil)

3 large cloves garlic, minced

1/2 teaspoon dried basil

1/2 teaspoon ground pepper

1/3 cup plain breadcrumbs

Freshly ground black pepper to taste 3/4 cup grated Par Sean cheese

#### Directions:

1. Slice the zucchini in half-length wise and spoon out the flesh until the walls are about 1/3 inch thick.
  2. Roughly chop the flesh and set aside. Sprinkle the insides with a thin layer of salt, then lay the zucchini upside down on paper towels to drain while you prepare the filling.
  3. Preheat your oven to 400%. In a large skillet warm the olive oil over medium high heat. Add the sausage and cook, breaking it up into very small pieces, until the meat begins to brown(if you have trouble chopping the meat in the pan, remove once it has cooked and pulse it three times in a food processor).
  4. Add the zucchini flesh, onion, sun dried tomatoes, garlic, basil, and pepper. Cook , stirring often , until the vegetables are soft and have lost much of their liquid, 6 to 8 minutes. Stir in the bread crumbs taste the mixture and add additional salt as needed
  5. Wipe the salt from the drained zucchini boats and lay them in a large casserole dish. Spoon in the filling, packing gently. Sprinkle each boat with about a tablespoon of grated Parmesan. Place into the oven and bake until browned on top, 25 to 30 minutes. Serve warm.
- Yields 6 to 8 servings.

## CHOCOLATE ZUCCHINI CAKE:

### Ingredients for the cake:

1/2 cup unsalted butter, softened, plus more for greasing pans  
1/2 cup vegetable oil  
1 1/4 cups granulated sugar  
2 large eggs, at room temperature  
1 teaspoon vanilla extract  
1/2 cup buttermilk  
2 1/2 cups all-purpose flour, plus more for flouring pans  
1/4 cup cocoa powder  
1 teaspoon baking soda  
1 teaspoon table salt  
1/2 teaspoon baking powder  
1/2 teaspoon cinnamon  
2 cups grated zucchini, squeezed to remove excess juice.

### Ingredients for the frosting:

1/2 cup unsalted butter, softened  
1 cup plus 2 tablespoons confectioners' sugar  
1/3 cup cocoa powder  
1/2 teaspoon vanilla extract  
1/8 teaspoon table salt  
1-2 tablespoons milk or heavy cream

### Directions:

1. Grease two standard loaf pans with butter, then sprinkle with flour to coat. Shake to remove excess flour.
2. Preheat your oven to 325° and set rack to the middle position
3. In a medium bowl, use a handheld or standing mixer to cream the butter oil, and sugar together for 1 minute, scraping the bottom with a spatula halfway through.
4. Add the eggs and vanilla, and beat for an additional 1 minute, scraping once more.
5. Add the buttermilk and beat until blended
6. In a separate bowl, whisk together the dry ingredients, then add to the butter sugar mixture. Mix until evenly combined. Divide the batter among the loaf pans.
7. Bake until a toothpick inserted into the center comes out clean, and the cakes are beginning to pull away from the sides, 45 to 55 minutes. Remove from pan and let cool.
8. Now make the frosting: In a medium bowl, use a standing or hand mixer to beat the butter with the confectionery sugar for 1 minute.
9. Add cocoa powder vanilla, and salt, and beat for another minute or two. Add enough milk or cream to reach your desired consistency, then spread over the tops of the cooled cakes.

Yields 2 loaves.

Note: if you don't have buttermilk on hand, you can simply add 1 1/2 teaspoons of lemon to regular milk and let it sit for 10 minutes.
