

## Foxwood 's 1<sup>ST</sup> Plastic Water Bottle Boat Races.

**What is it:** As an individual or a crew team, using plastic bottles designs a boat to float in our community pool.

**Equipment permitted:** **EMPTY** Plastic Bottles only.

String

Tape

Cardboard

(material for a flag optional)

**Method:** Using a string long enough for one crew member to pull the boat across the pool in the deep end **with the boat supporting one 6 pack** (cans can be place together or spread around the boat).

*Each boat will be timed in case multiple boats complete the event.*

**Judging with be in the following categories:**

Appearance

Sturdiness

Able to complete the event.

**Awards:**

Fastest Boat

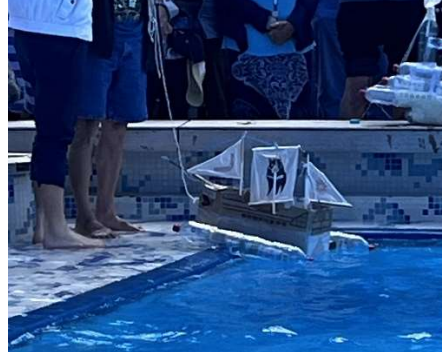

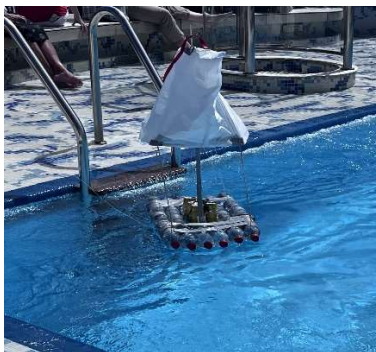

Best Design

People choice

**THE RACE WILL BE SUNDAY JULY 14<sup>th</sup>. AT 3:PM**

**(RAIN DATE JULY 21<sup>ST</sup>)**

*Examples of types of boats you can build or use your imagination*

**If interested in participating send an email or call Paul Spina House # 112 paulspina@msn.com or 631-284-9981. Just leave your name and tell me if you're going to do it alone or as a group. You will be contacted with further information.**
