

## Foxwood 's 1<sup>ST</sup> Plastic Water Bottle Boat Races.

**What is it:** As an individual or a crew team, using plastic bottles designs a boat to float in our community pool.

**Equipment permitted:** **EMPTY** Plastic Bottles only.

String  
Tape  
Cardboard  
(material for a flag optional)

**Method:** Using a string long enough for one crew member to pull the boat across the pool in the deep end **with the boat supporting one 6 pack** (cans can be place together or spread around the boat).

*Each boat will be timed in case of multiple boats complete the event.*

**Judging with be in the following categories:**

Appearance  
Sturdiness  
Able to complete the event.

**Awards:**

Fast Boat  
Best Design  
People choice

**RACE WILL BE a Sunday in MID JULY (Date to be determined & Sign Up in Early June)**

*Examples of types of boats you can build or use your immagination*
